OLD NEWS: WHAT'S HAPPENED?

The **October ACDC Meeting** was very informative with a **Weed & Seed** presentation by **Corey J. Connors**, the Coordinator for the program in Pittsburgh. ACDC President **Judy Hackel** presented the name change and new by-laws. District 3 Councilman **Jeffrey Koch** spoke regarding the Safety Zone Partnership which will help increase the safety of children by improving the area within a 1,000 foot radius of a school, particularly Grandview School. Zone 3 **Commander Brackney** presented the latest crime statistics and listened to Allentown residents' concerns. The ACDC's **Michael Assad** and **Maureen Kennedy** discussed the complaint forms and block watches.

Signing up is simple - just email allentownalive@allentownalive.org and ask to be added to the eMailing List!

How can I improve the neighborhood?

Last month's newsletter contained a copy of the **Complaint Form** that you can fill out and return to the ACDC. It is completely anonymous. We want to **make Allentown a safer and better place to live and your feedback** regarding the issues that you face will be **incredibly valuable** in shaping the things we do. Please take a moment and complete a form and return it to us. If you want you can also email us any complaints, issues, or information at allentownalive@allentownalive.org. If you don't have a form you can pick one up in the ACDC office or access it on our website.

Want to get involved? Join the Block Watch!

Contact Michael Assad or Maureen Kennedy at the Allentown CDC to learn more about how you can be a part of making the community safer and stronger. If you're interested call them at **412.481.0266 x12** or send an email to massad@allentownalive.org or mkenedy@allentownalive.org. Making positive changes in the community starts off at the neighborhood level. So think about getting involved and know that **you can make a difference**.
