WMOI, ROUND A

NEW NEWS

The Civic Association is in the process of transitioning into a Community Development Corporation. What does this mean? There will be no meeting this month due to the time consuming steps that are required to be a full-fledged CDC.

The process has taken a little longer than expected and unfortunately everything was not accomplished in time to introduce the CDC this month. But please come join us for next month's meeting for the official transition of the ACA to the Allentown CDC!

Be on the look out for a date and location of the last ACA/first ACDC meeting.

Rep. Jake Wheatley's Community Appreciation Day took place on September 9 at Kennard Park. Fun was had by all who attended! The information booths provided the 19th district residents with valuable resources and contact information. Hope many of you were able to make it out to enjoy the day!
